

PRODUCT SPECIFICATION SHEET

PRODUCT:	pHaze®		
MANUFACTURER:	Blue Earth Products® 14580 West 99 th Street, Lenexa, KS 66215 Phone: 1.800.259.4472		
BENEFITS:	pHaze is a non-hazardous neutralizer used to adjust the pH of acidic runoffs in environments that require NSF certification. The product is necessary to condition runoffs for disposal. pHaze is buffered to prevent the pH of treat water from rising above 8.5 pH.		
DESCRIPTION:	pHaze is a solid, slightly alkaline non-hazardous formulation used for neutralizing acidic runoff that is generated when applying Blue Earth Products surface cleaning and media rehabilitation products. pHaze is NSF 60 certified for use in drinking water facilities. The product is designed for off-line use and flushed out before returning the treated facility to use.		
PROPERTIES:	Composition	Proprietary Solid Formulation	
	Bulk Density	69 lbs/ft ³	This product is not considered hazardous
	Color	White	
	Odor	Odorless	
	pH	8.5 (aq. solution)	
APPLICATION:	pHaze is mixed into runoff from tank and filter media cleaning. It can be applied to filter backwash water flow, into holding tanks and basins, or into runoffs collected in the bottom of tanks. The dosage depends on the pH of the runoff, however, over dosages will result in a maximum pH of 8.5. Ensure adequate ventilation, pHaze evolves carbon dioxide gas while neutralizing.		
STORAGE:	pHaze should be stored in tightly closed containers and kept out of the reach of children. pHaze is stable under normal storage conditions.		
DISPOSAL:	All runoff generated through application of this product should be disposed of according to local, state and federal regulations.		
SAFETY:	pHaze is non-hazardous but may cause slight eye irritation. Personal protective gear should be used when handling to prevent eye contact. Please see the Safety Data Sheet for chemical reactivity information. Avoid use in confined space. Carbon dioxide gas is evolved while neutralizing.		
NSF/ANSI:	Standard 60 Certified – Other (Pipe cleaning aid/well cleaning aid)		
WARNING:	Handle all Blue Earth Products' Floran products according to Safety Data Sheets.
